

Autumn TERM - NEWSLETTER - Issue 06 29th November 2024

Supporting one another in learning and life.

Head teacher's blog...

Dear parents and carers,

It's hard to believe that another two weeks have flown by and that we only have three weeks left until Christmas! The children have remained resilient and hard working despite various bugs and illnesses that seem to have been flying around recently. They continue to make us all very proud.

Please take a careful look at all the dates that we have been sharing recently as we enjoy the run up to Christmas.

Mrs Bull – update

I'm very excited to share the wonderful news that Mrs Bull has had her baby... Samuel arrived on Saturday November 23rd at 2.10pm, weighing 7 pounds, 7 ounces.

The family are all doing well and we are very excited to meet him when Mrs Bull is ready to pay us visit. I'm sure you will all want to join us in saying a huge CONGRATULATIONS!!

Breakfast Club reminder

Please be aware that there are two sessions available for the morning wrap around provision...

The first session is from 7.45am and **includes breakfast** at a cost of £4 each day.

Carne's recent learning...

The Great Fire of London

We have loved creating poems, finding facts and recreating the events of the Great Fire of London.

The spark jumped. --
 The spark landed. --
 The fire glowed.
 The fire cracked.
 The people climbed.
 The people called.
 The Mayor marched.
 The army destroyed.
 But, London burned, burned, burned.

Learning with Kiberick...

Kiberick Class have been looking at landscapes in art and learning new techniques in how to create them. So far, we have focussed on backgrounds, middle grounds and foregrounds, and also perspective. Next, we will be looking at colour variations to show depth.

We are looking forward to using our new skills when creating our final landscape pieces...

Building a brighter future together

Supporting one another in learning and life. Compassion, Wisdom, Perseverance

Last Thursday, November 21st, we were lucky enough to be involved in a local community project, led by April Bennett. The children in both classes planted tulip and daffodil bulbs in pots which were then transferred to the new planting area around the pond in Veryan Park. The children were able to decide exactly where their flowers were planted so that they can return to see them bloom next year. They were all very well supported at each stage by the wonderful volunteers.

During the planting stage, the children learned a lot about how bulbs grow and also enjoyed stories and role play on the subject. We all had a great time and we send many thanks to all those who made it possible.

Bulb planting continued...

Building a brighter future together

Rainbow MAT are seeking to recruit a parent governor to join the local governing body at Ladock & Veryan.

If you are interested in applying, please take a look at the role description below and email the MAT governance lead with an expression of interest. This should include your contact details and a short explanation about why you wish to become a governor at the school. If you have any queries please contact the MAT's governance lead; Sam Newman - snewman@rainbowacademy.org.uk by the end of next week. If we have more than one candidate, we will ask you to take part in an election for the position.

As a school, we have a joint local governing body with Ladock. Governors play a role in both supporting and challenging the school as it shapes education for our local community. We look to recruit people with a variety of skills to bring a diverse range of opinions to decision making.

As a governor, you would have an enquiring mind, the confidence to ask questions and debate issues that affect the school.

Rainbow MAT - rainbowacademy.org.uk

Ladock C of E and Veryan C of E are part of Rainbow MAT. Rainbow MAT's central office is based in Pool, Redruth.

Rainbow MAT is a creative and imaginative organisation that has a mixture of large and small schools across Cornwall.

What do school governors do?

Governors tend to meet at least termly throughout the year. These meetings are usually conducted in person.

In order to perform this role well, a governor is expected to:

- Get to know the school, including visiting the school occasionally during school hours, and gain a good understanding of the school's strengths and weaknesses;
- Challenge and ask questions of senior leaders to ensure progress towards school goals;
- Monitor the school's development in achieving set priorities;
- Support senior leaders to ensure the school runs as effectively as possible;
- Attend induction and regular relevant training and development events;
- To gain a good understanding of relevant school documentation;
- Attend meetings (twice per term for approximately 1 - 2 hours);
- Use their expertise from their own professional lives to support and challenge senior leaders;
- Act in the best interest of the pupils and staff of the school;

OUR MISSION IN MUSIC

By enabling students of all generations, backgrounds and communities to enjoy a life including music making and participation, we seek to grow and support the health of a musical community for now and for the future.

It all started when...

In 2015 Cornwall Council chose to dissolve the county ran music service, Music Cornwall. In reaction to this a large group of music teachers banded together, under the leadership of Gareth Churcher, to create CMST and continue the tradition of music teaching throughout Cornwall. Since that point we have been providing music lessons, ensembles, classroom support and music therapy throughout the county. CMST is the largest charitable organisation delivering music lessons in Cornwall and pride ourselves in providing the best service for young musicians available!
