

SPRING TERM - NEWSLETTER - Issue 13 - 12th May 2023

Supporting one another in learning and life.
Compassion, Wisdom, Perseverance

Head of School Blog..

Dear Parents, Carers and Families,

First of all congratulations and well done to our super year 6! They have demonstrated resilience, tenacity and a great team spirit this week while working through the KS2 SATS tests. Now that those are out of the way, year 6 are ramping up their efforts in working towards their Super Six Achievement Awards. Look out for them carrying out acts of courageous advocacy, random acts of kindness and offering their help at every opportunity! If you are a recipient of any of this please feel free to offer to sign a box in the Super Six Achievement Award Tracker- you may even like to write a testimonial or email/ phone school so that we can record every effort they make in becoming a compassionate, persevering and wise citizen out in our community. We have had a great first week with our newly appointed Spiritual Mentors, Play and Sports Coaches and School Staff Assistants. We love the sense of togetherness we have achieved at Veryan and are so proud of the children for playing such a proactive part in bringing our vision for Veryan to life.

This week we have been able to welcome Mrs Jarrett back to Veryan as she begins her phased return to work. You will begin to see Mrs Jarrett around school a little more as she starts to spend more time here. I know she is very excited to be back and is keen to connect with you all and become part of the wonderful collaborative community we have at our small but mighty school.

Happy Friday All- I hope you have a lovely (albeit short!!) weekend

Best Wishes
Emeline Goodall

Building a brighter future together

Dear parents, carers and families,

I hope you are all well and enjoying the extra bank holidays and the Coronation celebrations.

I am very pleased to inform you that Mrs Jarrett, Headteacher, is beginning a phased return to her role. I have met with Mrs Jarrett and she is delighted to be returning to work and excited to see you all, and what you have been up to, whilst she has been recovering. Mrs Jarrett will be carrying out a phased return over a number of weeks and the children will be seeing her regularly as she familiarises herself with the school. Once she has fully returned to work, Mrs Jarrett will be based full time at Veryan.

I would like to take this opportunity to thank Mrs Goodall for all she has done for the children and families at Veryan in Mrs Jarrett's absence. The team have all been so committed to working with the Rainbow team to help develop the learning at Veryan for your children.

I am sure Mrs Jarrett is looking forward to seeing you all on the school gates and the children in their classrooms.

Best Wishes
Samantha Jones
Trust Lead

Best wishes,

Samantha Jones

Sharing Veryan's learning...

This week the children in Carne have been continuing our topic 'Everything is growing!'

One morning a box arrived in the post and when we opened it, we found a letter and 5 baby caterpillars. The letter asked the children to help the baby caterpillars find their mummy. They weren't sure what she looked like (maybe a dog or an elephant?) so could the children make a poster and tell everyone what their mother looks like?

This the children did with glee. This sparked a frenzy of activity to find out how to look after the caterpillars, what they will change into when they get bigger and how to make symmetrical butterfly paintings.

We're still looking after the caterpillars and the tadpoles and they are growing bigger every day!

Year 1 & 2 have been learning about where monarchs live. They have been reading and writing about Royal residences and then making their own Royal residence from many different materials.

What will it look like? How many rooms will it have? What sort of door will it need?

These are some of the questions the children addressed whilst planning their amazing buildings fit for a King!

Mr Badger has been in Veryan over the past couple of weeks, helping with SATS and covering Mrs Bull while she completed her 3 day combined First Aid at Work training. Pendower have been working on a non-chronological report about the King's coronation. While the Year 6's completed their SATS this week years 1 - 5 looked at a Poem about 10 things in a wizard's pocket, and adapted it to be 10 things they might find in a King's pocket.

Years 2, 3 and 4 have been learning about time.

KS2 were learning about Sumerian City States, they described the cities before creating Lego Sumerian cities of their own.
