Welcome from Mrs Jarrett:

"Our school is a very special place where we aim to provide an environment in which our pupils enjoy meeting challenges, developing skills and building happy, healthy relationships with those around them."

We provide a rich and varied curriculum which inspires our children and helps them to reach their full potential by using a range of teaching styles and our surrounding outdoor environment, to meet each individual's needs. As well as becoming more confident in their academic abilities, children also develop their personal qualities which help them to contribute to the school community and beyond. Welcome to Veryan Church of England School!"
