AUTUMN TERM - NEWSLETTER - Issue 1 – 17th September

Supporting one another in learning and life.
Compassion, Wisdom, Perseverance

Message from Ms Jarrett

Dear parents and carers,
Welcome to the new year, I hope you all had a wonderful summer and are now feeling fully relaxed and re-charged.

It hardly seems possible that we have only been back for one full week as the children are already settled in to their class routines and have achieved so much. Last week we held our Vision and values week exploring these within the context of our school and our own personal experiences. You can see what the children got up to on page 2. The children really impressed their teachers with their understanding and thoughtful insight into our values of compassion, wisdom and perseverance. We finished the week off with a trip to the beach and held our collective worship there too which was lovely.

This week we have enjoyed our first Science week of the year which will be featured in next week's newsletter.

The staff would like to take this opportunity to thank you for all the kind gifts and cards that were given at the end of last year. It was very generous.

Thanks very much too for being so understanding while we are without a secretary; your patience is much appreciated.

Next Monday we will be dressing up as Scarecrows to celebrate the Veryan Scarecrow Event...I am looking forward to seeing the Scarecrows around the village!

With best wishes,
Caroline Jarrett

Veryan's Vision and values week - September 8th, 9th and 10th

Carne class have been enjoying getting to know each other, we are already becoming a great team! Miss Goodall is really impressed with how all the children have come into school independently and begun to make friends and engage with play and learning. They have used our vision and values everyday...

Pendower's vision and values week by William, Emily, George P & Florence.

We interviewed children about their week.

Ruby said that her favourite part of the week was the perseverance challenge afternoon.

Teddy's favourite part of the week was the beach.

Imogen's favourite part was PE.

Emily's favourite part was spelling shed.

Kiberick were amazing at working collaboratively to build a sand version of Veryan complete with a castle! It was fantastic to see the maturity of Year Six, they have completely embraced the challenge of taking on responsibility and using their initiative. These are both key life skills. Incredible perseverance in digging, moulding and walking back up that hill!

The
deadline for
applications is
**15 January
2022**

Starting school

September 2022

Applying for a place in a reception class for children born between 1 September 2017 and 31 August 2018

Attending a nursery or pre-school

You will need to apply even if your child attends a school's nursery or pre-school class. Please note that if a school is oversubscribed the fact that a child attends a school's nursery or pre-school, or a local nursery or pre-school, does not automatically guarantee a place at that school. The school's oversubscription criteria will be used to allocate places. Visit our website or contact us for more information.

Electric Car Club for the Roseland – an alternative to car ownership!

Do you own a car that is only rarely used? Have you ever needed to use a car for just a few hours or for a day? Maybe you have a second car that isn't used much but costs a bomb to get through the MOT every year? In fact, simply owning a car costs around £3,000 per year in terms of running costs and depreciation – and all for something that might not even move 95% of the time!

That's why, as part of local group REACT's mission to help people on the Roseland lead more sustainable lifestyles and reduce carbon emissions, we want to bring an electric car club to the Roseland, partnering with Co Cars. Co Cars is a not-for-profit cooperative social enterprise that already successfully runs a growing network of electric cars in Truro, Falmouth, Plymouth and Exeter.

As a Co Cars member, you can book any car in their network. Electric cars can be hired from as little £5.50 per hour, (£40 for 24 hrs or £11 for 7pm – 7am) for an all-inclusive price that covers charging at the Co Cars charger, insurance, tax and roadside assistance. (For more details have a look at Co Cars website)

Each car club car also reduces the pressure on car parking spaces as well as helping our environment by tackling congestion and pollution.

To help us gauge interest in Co Cars coming to the Roseland, please take a couple of minutes to complete our short survey <https://bit.ly/ElectricRoseland> which will be live until 30th September.
