Print the grid either A4 or A3 if you can.

All you need are 2 dice to play this game.

Roll the first dice to get the horizontal row and roll the second dice for the vertical column.

Find the question and then ask it.

Choices

This may help parents or teaching staff to prepare children for making choices. A good strategy with children who do not want to do what you ask them to do is to give them a choice. Both choices would be what you want them to do. It gives control to the child but of course the adult is really making the decisions.

Tidying up – would you like to tidy the lego or the jigsaws?

Bed time – Would you like me to read you a story at bedtime or play a game at bedtime

Clothes – Would you like to wear this blue top or the red top?

Giving choices can take away conflict and arguments. Practice in a fun way with this game.
