

Autumn TERM - NEWSLETTER - Issue 04 25th October 2024

Supporting one another in learning and life.

Head teacher's blog...

Dear parents and carers,

Finally, we are here at the end of the half term! It has been incredibly long and lots of the children are feeling very tired at this point. I think a week's rest is just what they need.

Wild tribe sessions this half term.

We have really enjoyed the Wild Tribe sessions this half term with the whole school attending to work on subjects from the wider curriculum. We will be swapping groups after half term, continuing with Music, Art, PSHE and Forest School sessions with an outdoor theme. We were very lucky to have Douglas Wren joining us this week to lead an outdoor collective worship at the end of our session. We focused on Creation and all the wonderful things that remind us of this in the Wild Tribe field.

Next half term

As you know, next half term will see a change in the staffing structure for Kiberick Class when Mrs Bull goes on her maternity leave on November 15th. I will be taking over as class teacher, while Mrs Kendle will continue as the class TA (and HLTA on Tuesday and Thursday afternoons). Mrs Bull and I have already begun the handover process to ensure a smooth transition and will continue this for the two weeks following the half term break.

As you will see in the next few pages, the children have been very busy again with their learning. Years 1 and 2 had a successful trip to Truro, Carne have been working to recreate Veryan village, amongst other things, and Kiberick have been building Roman catapults in Design Technology.

Thank you for all your ongoing support, it really is much appreciated. I hope that everyone has a truly wonderful half term with plenty of rest and lots of fun...

With very best wishes,

Caroline Jarrett

Carne's recent learning...

In DT we mastered using hinges to join materials. We used all of our joining techniques to complete a cardboard box house build with windows and doors. We created the village of Veryan which linked to our work in Geography (See Class Dojo).

In Nursery and Reception we have been enjoying some deconstructed role play using empty boxes. Using our imagination they have become , caves (inspired by the story "were going on a bear hunt", houses (The Three Little Pigs), ovens (for cooking gingerbread men) and homes for a wide range of animals that we have been learning about. Who knew a box held so much potential for learning and play? And then we were inspired to create other constructions using various materials for a range of purposes!

We're also getting pretty good at building words with the sounds we know now!

Carne's recent learning...

We had a great time being Geographers on our field trip to Truro. We read a street map and navigated our way through the city, reading street names and hunting for points of interest and landmarks. Our behaviour was impeccable and we really impressed everyone we met. We learned about sharing spaces with members of the public and how our behaviour can make others smile. We were complimented by an elderly gentlemen who listened to us explain what we were learning and we loved that we made him so happy. We really enjoyed phoning school on a payphone too and we found lots of places we want to revisit like the Library and the Museum.

Kiberick...

Kiberick had a fantastic time at the museum last week finding out more about Roman times, focusing more specifically on life in a Roman villa. They handled artefacts from a Roman archaeological dig and needed to consider which room in the villa the set of objects would have been discovered in and made Roman oil lanterns in the shape of animals from clay. Additionally we explored the rest of the exhibits that the museum had to offer.

Netball...

"I was lucky enough to accompany our netball players; Sennen, Holly, Ellie, Emily, Ellis and Alice to the Roseland Festival on Wednesday. They played brilliantly as a team, supporting one another throughout. They were respectful and polite to the Roseland year 10 sports leaders and to the other competitors. I was very proud of them all. Well done!" *Caroline Jarrett*

Kooth Talks on Emotional School Based Avoidance

Many parents and carers seek support for their anxious children avoiding school. They're often juggling work and caregiving, feeling deeply worried while their child remains at home. Kooth provides webinars which focus on helping young people with Emotionally Based School Avoidance (EBSA). Sessions will cover what EBSA is, hear from a young person's perspective, explore support strategies and show how Kooth can offer help. To access and book sessions please contact your school for a link.

Cornwall Music Trust...

Cornwall Music Trust's "very experienced guitar and piano specialist - Allan Fouracre" will be taking on new pupils.

If a child is interested in joining this please book through Cornwall Music Trust, <https://cmst.co.uk/>

Those in receipt of Pupil premium are entitled to some free music lessons.

OUR MISSION IN MUSIC

By enabling students of all generations, backgrounds and communities to enjoy a life including music making and participation, we seek to grow and support the health of a musical community for now and for the future.

It all started when...

In 2015 Cornwall Council chose to dissolve the county ran music service, Music Cornwall. In reaction to this a large group of music teachers banded together, under the leadership of Gareth Churcher, to create CMST and continue the tradition of music teaching throughout Cornwall. Since that point we have been providing music lessons, ensembles, classroom support and music therapy throughout the county. CMST is the largest charitable organisation delivering music lessons in Cornwall and pride ourselves in providing the best service for young musicians available!
