

SPRING TERM - NEWSLETTER - Issue 14- 26th May 2023

Supporting one another in learning and life.
Compassion, Wisdom, Perseverance

Head of School Blog..

Dear Parents and carers,

Time seems to be flying by and while I write this I am flooded with thoughts of all there is to do. I am sure that you can relate to this feeling too. It is so easy to get swept away in the busyness of life and miss the special moments that make it all worthwhile. Therefore, I wanted to share with you some special moments from the last two weeks...

- ♦ Seeing smiles return from Percuil and listening to sailing stories from our year 6 children
- ♦ Spotting the twinkle in a child's eye as they told their teacher a joke
- ♦ Sitting in the sun telling stories in The Wild Tribe Field
- ♦ When Mrs Bennett captured a GIANT hornet that flew in through the window and the amazement on the children's faces when they had a close look through the glass
- ♦ Being given a sticker by a child
- ♦ Watching as a year 1 child took on the role of Buddy to a new child and seemed to grow 6 feet right in front of us
- ♦ Seeing an excited gaggle of children all counting together how many stickers they have earned on their class chart.
- ♦ Explaining a teamwork challenge to children and someone calling out, "like supporting one another in learning and life."

And there are so many more... I think we need a magical moments jar to capture all of these. Maybe that's something for the September To Do List!

I hope you all get the opportunity to pause and take in some magical moments this half term holiday and I look forward to seeing you on the other side for a fun filled final term.

Best Wishes

Emeline Goodall

Sharing Veryan's learning...

The last two weeks in Carne/year one have been as busy as ever. Carne have been learning about bugs. We have discovered the names of different insects and how many legs they have. Did you know Arachnids, such as spiders, have 8 legs but other bugs only have 6! Our caterpillars have turned into chrysalises and so we are like expectant parents waiting for them to emerge as butterflies. Year one and two have been continuing their learning about Judaism by finding out why and how Jewish people celebrate Sukkot. We made Sukkahs, which are a temporary shelter, and decorated them with fruit and vegetables to celebrate harvest festival (Sukkot is traditionally celebrated in the autumn). We spent time in our Sukkahs and thought about how it would feel to have to live in a temporary shelter for 40 nights in the desert just like the escaped Jewish slaves did.

Sharing Veryan's learning...

In Pendower we have been learning how to write formal letters, so that we can write a letter to the King to tell him about our work towards the coronation. We will send them off over half term and are hopeful for a response!

Some of our year 3 children have been learning the poem The Ning Nang Nong, they noticed that there was an opportunity for musical accompaniment and performed it to the other classes in school.

Sharing Veryan's learning...

Kiberick.. Getting into character while writing like scientists and news reporters in KS2 English. We have learned to use technical vocabulary and use devices that make our writing formal and factual- we had a little fun too!

Sharing Veryan's learning...

So much fun was had at the Great Water Race teamwork challenge; We could only move forwards together. A game of balancing our competitive spirits with our desire to never leave anyone behind. (top row)

We have also been getting to grips with percentages, and had a wonderful time celebrating with Poetry, home made treats and games .

The Rainbow MAT Sponsored Rainbow Run

On **Friday 16th June** all of our Rainbow schools will be holding a sponsored Rainbow Run event, to raise funds for the charity, Penhaligon's Friends and their own schools.

Penhaligon's Friends are a Cornish charity who support bereaved children, young people, parents and carers throughout the county. They also provide training and support for school staff, so we can effectively support and care for our pupils when they need us most.

What is a Rainbow Run?

A Rainbow Run is a fun running (or walking) event where all of our pupils pass through paint stations and come out more colourful than when they entered! We use non-toxic powder paints.

What will my child need?

The powder paint should be able to be washed out of clothing however there may be some chance of staining, so your child should wear an old t shirt and shorts.

How can I help?

Helping your child to raise some sponsorship would be hugely appreciated by us as a school and Penhaligon's Friends. Every penny helps!

Please send sponsorship in

We can't wait to get colourful!

Sponsorship forms will be attached to the newsletter email.

Please provide old clothes and swimming goggles for eye protection.

Can you help?...

We are considering taking on 2 Swiss teaching students for a work placement experience at Vervan Primary School. This would be from the 25th June to the 8th July. We will only be able to support this program, though, if we can offer accommodation for the pupils, they can either be together, or separately. Do you have a spare room that you may be willing to house a 17/18 year old student in to help support their learning? This is a great opportunity for them, and the school. If you would like to know more please contact us. There will be £300 cash paid to you for each pupil, this is to cover food and housing costs.

Thank you
