

Spring TERM - NEWSLETTER - Issue o8 17th January 2025

Supporting one another in learning and life.

Head teacher's blog...

Dear parents and carers,

Welcome to the first newsletter of 2025! I hope you all had a lovely Christmas and New Year.

We have had a busy few weeks with the children settling back into our school routines quickly and sensibly. Both classes have started to look at their new units of learning and we have all been impressed by the enthusiasm that is permeating throughout the school.

Please look at the following pages to find out about some of the things that the children have been doing.

Although this is not a very long one, we are looking forward to a fun and exciting half term...

If you have any questions or concerns please do not hesitate to contact the school office.

With many thanks for your ongoing support and very best wishes,

Caroline Jarrett

Reading books and reading records

Thank you to all parents who have heard their children read regularly and signed their reading records. Your child will need their reading books and reading records in school each day and please remember to sign their reading records every time they read at home to ensure they reach their targets.

Drinks bottles in school

Your child will need a named water bottle in school each day please. These could be left in school if this is more convenient.

Morning snacks in school

Please ensure children bring in one healthy item for their morning snack. This could be a flapjack, piece of fruit, vegetables or crackers with cheese. Please avoid sugary snacks as these do not help concentration levels.

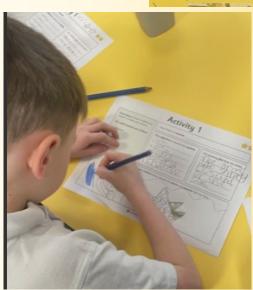

Its been a busy time rescuing and caring for animals in the animals sanctuary and hospital

In KS1 we have been researching habitat. We took a deep dive into books and found out lots about the ocean.

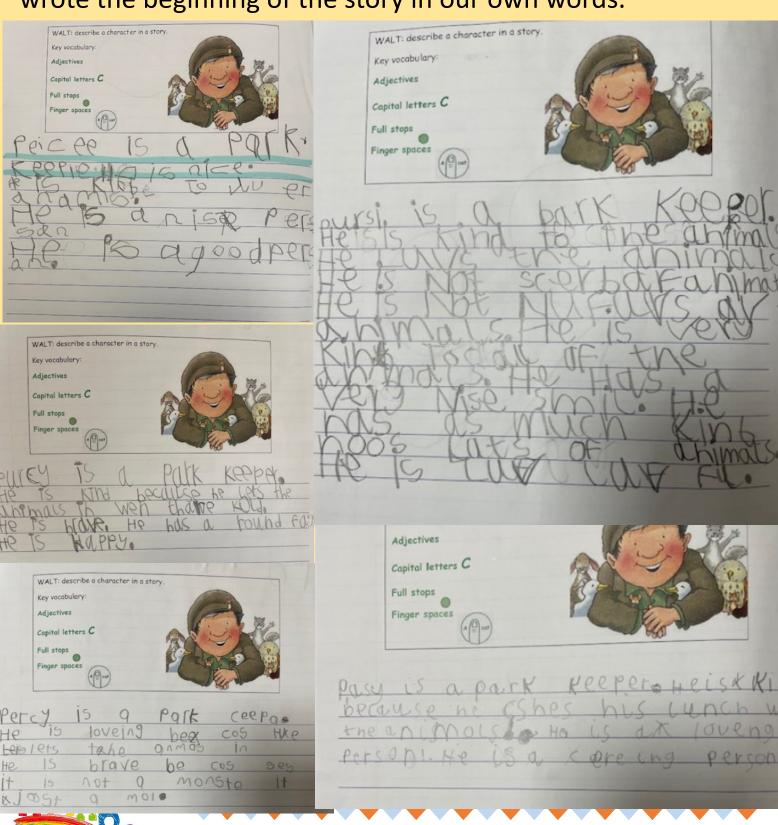

Our writing in English has been all about describing the character Percy from the Story One Snowy Night. We also re wrote the beginning of the story in our own words.

EYFS and KS1 fire Rangers starting their training with learning about the fire circle and how to kneel and sit safely when working with fires. Some of the children named the special kneeling position "The Fortnight Squat".

We began with a focus on Science, looking at 'Evolution and Inheritance'. We have considered how animals and humans have evolved over time and adapted to our environments and habitats. One aspect of this was a look at fossils and how they are formed and we created our own fossil skeletons...

Our new History Unit is a look at 'The Stone Age to the Iron Age'. We began by recording what we already know about this topic and what we want to find out, before starting some research in our new library books.

Our Wild Tribe foci for this half term are 'The music of our natural environment' (Y3 & 4) and 'Recreating clay bronze age pots' (Y5 & 6)...

Maths Y3 & 4 – Working hard on times tables, while Y5 & 6 calculate volume of cuboids.

Kiberick at play....

In RE, Kiberick have been looking at the differing viewpoints of Christianity and Science on 'Creation'.

A great opportunity for our school, with a little bit of help from you...

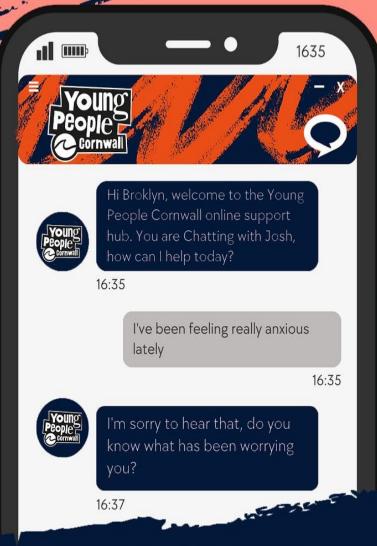

Parentkind – the charity that supports school PTAs - have teamed up with Asda, who are making millions of pounds available to donate to primary schools across the UK through their 'Cashpot for Schools' initiative – all you have to do is, opt in through the Asda Rewards app, choose our primary school and shop and scan in store or shop online at Asda.com, between 2nd September and 30th November 2024

Asda will donate 0.5% of the value of your shop to our Primary school. Also, every time somebody opts in, Asda will give an additional £1 to the school Cashpot. Plus, it doesn't stop there – Asda are also giving £50 to every school to get them started.

OUR MISSION IN MUSIC

By enabling students of all generations, backgrounds and communities to enjoy a life including music making and participation, we seek to grow and support the health of a musical community for now and for the future.

It all started when...

In 2015 Cornwall Council chose to dissolve the county ran music service, Music Cornwall. In reaction to this a large group of music teachers banded together, under the leadership of Gareth Churcher, to create CMST and continue the tradition of music teaching throughout Cornwall. Since that point we have been providing music lessons, ensembles, classroom support and music therapy throughout the county. CMST is the largest charitable organisation delivering music lessons in Cornwall and pride ourselves in providing the best service for young musicians available!
